SIR,

With reference to para 2 & 3 of the Proceedings of the Government of H.H.the Maharaja of Mysore and order thereon No.4762-4/Med 10-06-4 dated 7-12-1906, I have the honour to forward the accompanying copy of No.1161/M.S.107 dated 15-2-1907, from the Medical Officer in charge Medical Stores and to recommend that the kind of paper referred to (cheap fools-cap) may be ordered to be obtained on -- indents from the Stationery Depot and supplied by the Medi-cal Stores to the dispensaries.

2. The District Medical and Sanitary Officers and the Medical Officers in charge of Institutions may be permitted to obtain the paper, as usual, on indents, direct from the Stationery Depot.

To.

The Senior Surgeon and Sanitary Commissioner
Mysore Government, Bangalore.

Sir,

With reference to your No.4295, dated 31-12-1906/2-1-07, calling for a report with regard to para 3 of Government Proceed-ings No.4762-4/Med 10-06-4 dated 7th December 1906 anent the -- the supply to Hospitals and Dispensaries of cheap foolscap --- paper in lieu of costly goa-paper, I have the honour to state that, under existing arrangements, all the District Hospitals get their supply of Stationery from the Stationery Depot direct, while the Local Fund Dispensaries are supplied with Stationery from the Medical Stores.

As goa-paper is one of the articles of Stationery, -- the quantity of goa-paper required for the Local Fund Dispen-saries is purchased every year at the contracted rate & supplied to all the dispensaries and the cost met from the provision made in the Medical Budget for Country Medicines under Local Fund -- Dispensaries.

If under the new arrangement sanctioned, cheap fools-cap paper of the kind referred to is to be substituted for -- costly goa-paper, the quantity (about 130/- reams) of fools-cap paper required for the Local Fund Dispensaries will in ---

future.

future be obtained on indent from the Stationery Dept and supplied to all the dispensaries, the cost being met as usual from the source already pointed out above. By so doing, there will be a saving of annas nine on every ream of fools-cap paper thus obtained which is about the average quantity required for each dispensary.

As regards District Hospitals, the Superintendent of Stationery may be instructed to issue fools-cap paper in lieu of goa-paper along with other articles of Stationery which are at present supplied to them direct from the Stationery Depot.

If the above suggestions are approved, there will be no necessity for reducing the contingent grants of the several Hospitals and Dispensaries in the State.
